

JOB APPLICATION INFORMATION FOR CIVILIAN POSITIONS

The Department of the Navy has eight regional Human Resources Service Centers (HRSC) located worldwide. Each Center recruits individuals to fill Navy and Marine Corps civilian vacancies occurring within its serviced area. Page 2 of this pamphlet contains a listing of the different regional Centers and their E-mail and mailing addresses.

Applying for civilian vacancies at any one of these Centers is easy.....just follow the steps below:

STEP 1: DETERMINE YOUR HIRING PROGRAM ELIGIBILITY AND LOCATE JOB INFORMATION.

- ❑ Review hiring program categories listed on pages 3 and 4 of this pamphlet. Your application MAY be accepted if you meet the criteria for one of the listed categories.
- ❑ Then review the job announcements on our web page at www.donhr.navy.mil. If you do not meet any of the hiring program categories, look for job announcements open to the general public on our web page at www.donhr.navy.mil or on the Office of Personnel Management web page at www.usajobs.opm.gov.

STEP 2: PREPARE YOUR RESUME. All Department of the Navy Human Resources Service Centers use an automated system to process resumes. The system uses an artificial intelligence process to “read” and identify skills from your resume. To ensure that your resume is processed correctly, carefully read and follow the tips below. Failure to follow these tips may result in your resume being rejected and/or the loss of job consideration.

- ❑ Use the resume format and instructions shown on pages 5 and 6 of this pamphlet.
- ❑ Carefully read the information and application instructions on any recruitment publications, flyers, and/or job announcements for which you are applying. Many have unique instructions or requirements.
- ❑ When additional documents are requested, please put your name, Social Security Number, daytime phone number and the announcement number (if applicable) on each page submitted, and send them to the appropriate Center.
- ❑ Complete and submit the Additional Data Sheet information requested on pages 7 and 8.

STEP 3: SUBMIT YOUR RESUME. There are four different ways to submit your resume.

- ❑ **Navy on-line resume builder.** Use the resume-builder attached to each of our job announcements on our web page www.donhr.navy.mil to prepare and submit your resume. It will automatically send your resume to the appropriate Human Resources Service Center.
- ❑ **Application Express.** Once you have a resume on file with a Human Resources Service Center, you may reuse it to apply for other job announcements issued by that Center. Just use the Application Express button located at the bottom of the job announcement on our web page or request a hardcopy Application Express form from the Human Resources Service Center that issued the job announcement.
- ❑ **E-mail.** To submit a resume via E-mail:
 - ✓ Type “Resume - (your first and last name) - (Announcement Number)” on the subject line of your E-mail.
 - ✓ Prepare your resume as a part of the E-mail message. E-mail attachments CANNOT be accepted.
 - ✓ Include your responses to the Additional Data Sheet at the end of your resume text.
 - ✓ Double-check the E-mail address of the Center where you want to send your resume.
 - ✓ Send.
- ❑ **Mailed (hardcopy) resumes.** Mail your completed resume, Additional Data Sheet, and any requested additional documents to the applicable Human Resources Service Center.

HOW TO PREPARE A RESUME

Writing and Formatting your Resume: Don't write your resume for a particular position. Instead, concentrate on defining and identifying all meaningful skills you possess for those career fields you are interested in. Then describe your experience in terms of **specific skills** rather than general descriptions. Additional hints are provided below:

- ◆ Carefully read the information and application instructions provided in the job opportunity announcement.
- ◆ Describe your experience with **specific** words and phrases rather than vague descriptions. For example, rather than using "communicates orally and in writing", it is better to use "writes complex technical documents and reports; prepares policy statements; develops and presents power point briefings to large groups".
- ◆ Use jargon and acronyms specific to your industry, but also spell out at least once for readers unfamiliar with the terms.
- ◆ If you have extra space, describe your interpersonal traits and attitude. Key words could include skill in time management, dependable, high energy, leadership, sense of responsibility, good memory, etc.
- ◆ You can have more than one paragraph for each experience, but keep paragraphs short by entering a carriage return (blank line) after at least every 20 lines.
- ◆ To ensure that your resume is received as quickly as possible, submit your resume electronically using our On-line Resume Builder (accessible by clicking the "Take Me to the Resume Builder Button" located on bottom of our on-line job announcements).
- ◆ **Don't** condense spacing between letters or type your information in all capital letters.
- ◆ **Don't** use fancy treatments such as graphics, italics, underline, shadows, and reverses (white letters on black background).
- ◆ **Don't** use signs and symbols such as % # * / =.
- ◆ Either attach, or address at the end of your resume, the questions requested on the Additional Data Sheet.

Additional Formatting Instructions for Hardcopy Resumes If you are planning on submitting a hardcopy resume, follow the formatting rules below closely.

- ◆ Follow the Sample Resume Format.
- ◆ Leave a minimum 1" margin on all sides.
- ◆ Type your resume on 8.5"x11" white bond paper, printed on one-side only.
- ◆ Provide a laser printer original if possible. A typewritten original or a high quality photocopy is OK.
- ◆ Use a 12 pitch font in standard typefaces such as Arial, Helvetica, Futura, Optima, Univers, Times, Palatino, New Century Schoolbook, and Courier.
- ◆ **Don't** submit handwritten, copied or faxed resumes.
- ◆ **Don't** fold or staple your resume.
- ◆ **Don't** submit resumes with light or faded print.
